November 5th, 2018

The Garden Club sweet potato harvest on Tuesday October 30th was a little muddy, but lots of fun! These boys dug clear under the raised bed to get to some of the sweet potatoes that grew almost 12" deep.

Thank you to all the little hands that worked so hard last Tuesday!!!

No garden club meeting this week Tuesday, November 6th. Volunteers can join us in the garden Wednesday, November 7th and the 28th from 4:00-5:00pm. Fresh soil needs to be added to the now vacant sweet potatoe raised bed. Our cabbage, spinach and broccoli plants need tending to and there are still a few spring tulip bulbs that need planting. Activities coming up in the Garden over the winter months are mulching the outer beds and repainting the benches. If you are interested in assisting with any of these projects, please let me know.

For more information about activities in the Garden and past newsletters check out our MES Garden Web page at http://www.matoaka-pta.org/matoaka-garden/.

Please don't hesitate to contact me with questions you may have about the MES Garden. I can be contacted at angelahennessey24@yahoo.com or 574-210-1779.

See you in the Garden!
