Garden Volunteers,

Our fall clean up event in the Garden Saturday afternoon yielded tremendous results. Amazing efforts were put forth by the Erlich family, the Mefford family and the Hennessey clan. Special thanks to the Cox family for the new wheelbarrow and to Veronica for taking photographs. It's simply astounding to witness the results of so many hands at work. Your contributions this week in the Garden have been overwhelming and so greatly appreciated!

To those that have taken the initiative and coordinated directly with me to work independently in the Garden, I will send you a separate note detailing the priorities of effort in the Garden this week. Keep up the great work!

The MES PTA Garden WEB page is up and running. Check it out at <http://www.matoaka-pta.org/matoaka-garden/>

We will be back in the Garden on **Wednesday October 3rd from 4:00-5:00pm**. We will see you then!

If you know of someone who would like to accompany us in the Garden please bring them with you to one of these events or pass along my contact information.

Please don't hesitate to contact me with questions you may have about the MES Garden. I can be contacted at angelahennessey24@yahoo.com or 574-210-1779.

See you in the Garden!
